

Privacy Policy

Last updated: January 2026

This Privacy Policy explains how FaisalabadTimes.co ("we", "us", "our") collects, uses, stores, and protects your personal information when you use our platform to browse events, buy tickets, book a marketing/event-management service, or manage an organizer account.

1. Information We Collect

- **Account info** — name, email, phone number, password (stored encrypted).
- **Order info** — events booked, ticket type/quantity, order history, service packages booked.
- **Payment info** — handled by our payment processor; we do not store full card numbers on our servers.
- **Technical data** — IP address, device/browser type, pages visited, cookies.

2. How We Use It

- To create and manage your account and process ticket or service purchases.
- To send order confirmations, e-tickets, invoices, and event or campaign updates.
- To detect and prevent fraud or unauthorized ticket resale.
- To improve the Platform and understand usage.
- To send marketing communications, where you have not opted out.

3. Payment Information

Payments are processed by our third-party payment partner. We do not store your full card number or CVV on our servers — that data is handled under the processor's own security standards.

4. How We Share Information

- **With event organizers** — your name and ticket details so they can manage entry and event changes.
- **With service providers** — payment processors, hosting, email delivery, and ad platforms (Meta, Google) where relevant to a service you have booked, under contract.
- **For legal reasons** — if required by law or to protect the Platform and its users.

We do not sell your personal information to third parties for their own marketing.

5. Cookies & Tracking

We use cookies to keep you logged in, remember preferences, and understand how the Platform is used. You can control cookies through your browser settings; disabling some may affect features like staying logged in or completing checkout.

6. Data Security

We use reasonable technical and organizational measures — including encryption in transit and access controls — to protect your information. No method of transmission or storage is 100% secure.

7. Your Rights

- Access, review, and update your account information at any time.
- Request a copy or deletion of your personal data, subject to legal retention requirements.
- Opt out of marketing emails via the unsubscribe link or by contacting us.
